The attached has been sent to Ginger. It fully explains United's proposal and makes clear that, while this proposal reflects short term, but significant growth for O'Hare, United is fully committed to the City's long term growth and expansion plans and that we are actively engaged in the process that gets us all to a plan. Great. Thanks. Will discuss with ginger . Got to be honest reflected on our call. I do not know how else I can respond to a call with a verbal explanation of a concept except present to ginger. If you all expected yippie lets go you got the wrong mayor. A verbal concept on Fourth of July with no details gets show me. After months of back and forth that's

generous in my view.
